

When we realize how much the Heavenly Father has done for us, we praise Him. When we realize how much He loves us, we praise Him. When we realize He will use us for His purposes, and all we have to do is stop trying to use Him for our purposes, we praise Him. When we realize heaven itself awaits us, we praise Him. When we realize we can do all things through Christ who strengthens us, we praise Him. True knowledge of the Heavenly Father creates in us a Spirit of praise!!

A few additional praises:

- I praise Him for getting Matt's heart before calling him home to heaven last Tuesday;
- I praise Him for providing everything Mandy needs in this very difficult time;
- I praise Him for moving in Jeff and Gwen's hearts to open their home to Mandy and her beautiful children;
- I praise Him for a church family that truly loves Jesus and each other;
- I praise Him for one more day to serve Him and love others;
- I praise Him for being allowed to bring our families to Him;
- I praise Him for trusting us with our families, that we will lead them in His ways;
- I praise Him for never condemning us but constantly, gently correcting us;
- I praise Him for all the transformed lives we are seeing;
- I praise Him for the next opportunity to help hurting people come to Jesus!

One last thing: tomorrow morning from 8am – 1pm we are having a carwash to raise money for Sunshine Acres Children's Home. The carwash will be at the McDonald's parking lot (SE corner of Queen Creek and Alma School). If you can help out that would be great! If you can bring your vehicle(s) by to be washed, that would be awesome!

I praise Him for this next opportunity to make a difference and shine His light. Life is short. Let everything that has breath praise the Lord! Are you breathing? May it be a breath of praise!

In His Power,

Your brother on the Journey, Moe
